To Our Patrons:

We are very sorry. As many of you are aware a change in computer systems often generates difficult situations. Accordingly, we may have erroneously sent you an email overdue or hold notice for items that you either had overdue or on hold at the time of our migration to our new system on February 24, 2008.

These notices were accidentally generated by our old system and may be ignored if you have returned these materials. If you are unsure, please contact your local library where our staff will be more than willing to aid you.

Again we apologize for any misunderstanding and we appreciate your patronage of the Stark County District Library, Massillon Public Library, and Louisville Public Library.
