

Your home library, the DeHoff Memorial branch of Stark Library, is being re-imagined!

Re|imagine is our commitment to invest in our community by making each branch an inviting space that inspires and empowers our community to pursue creativity and lifelong learning. Your library will have new computers and a business center, upgraded technology, a new study room, new carpet, and paint. You'll have comfortable sitting areas, furniture with power to plug in your device, and so much more. [Click here](#) for details.

The last day we're open is June 11, and the building will be closed for several months for renovation. We will share updates and re-opening news regularly via email during the closure.

## What to Expect While We're Closed

While we're closed, we'll do our best to provide you with alternate ways to access library materials and services. The bookmobile will visit the Edward Peel Coleman Community Center at scheduled times. You will be able to pick up your holds and access other library services from the bookmobile.
