

We need your help to make the renovated Lake Community Branch one of a kind! Work is right on schedule, with our grand opening scheduled for March 4 at 10 am, but we're missing something essential that we need from you!

For the final touches, we're asking you to submit a literary, or library-related quote that you think captures what the Library is to your community. We will choose several to feature on the walls throughout the new building.

We have seen quotes from children's books, a couple of lines from a poem, and even part of a speech in other locations. We look forward to your ideas.
