Index to Obituaries in the *Canton Repository*, 1969
The following is an alphabetical listing, by surname, of obituaries that were published in the Canton, Ohio, newspaper, the *Repository*, from January 1969 to December 1969. It was compiled in the hope that the book would be a useful tool to genealogists, as well as other researchers.

To use this index, simply look up the name of the person whose notice you wish to find. The entries will appear as follows:

Surname	Given Name	Middle	Title	Maiden	Day	Month	Year	Pg
ABATANBELO	Antonio				6	Oct	1971	55

The first column gives the SURNAME, the Second Column gives the First Name and Middle Initial. The Third Column gives a title if one was mentioned. The last columns are the date the obituary appeared in newspaper and the page.

You may find one name with several listings showing different dates and locations in the paper. This indicates multiple listings for that individual. We encourage you to view each item for additional information.
