Index to Obituaries in the *Canton Repository*, 1974
The following is an alphabetical listing, by surname,
of obituaries that were published in the Canton, Ohio,
newspaper, the *Repository*, from January 1974 to
December 1969. It was compiled in the hope that the book
would be a useful tool to genealogists, as well as other
researchers.

To use this index, simply look up the name of the
person whose notice you wish to find. The entries will
appear as follows:

Surname	Given	Middle I.	Maiden Name	Title	Day	Mont h	Year	Pag e
AANDERUD	Norman	E.			16	Jan	1974	6

The first column gives the SURNAME, the Second Column
gives the First Name and Middle Initial. The Third & Fourth
Columns give a Maiden Name and/or Title if one was
mentioned. The last columns are the date the obituary appeared
in newspaper and the page.

You may find one name with several listings showing
different dates and locations in the paper. This indicates
multiple listings for that individual. We encourage you to
view each item for additional information.
