

Index to

Old Landmarks of Canton and Stark County, Ohio

by John H. Danner

PLEASE READ: What follows is a transcription of an every-name to John Danner's 1904 history of Canton and Stark County. The original index was created by the members of the Stark County Chapter of the Ohio Genealogy Society for their 1980 reprint of the work. Every effort for accuracy was made by those transcribing the index. There may have been some errors in the original, however. You will find a digital copy of Danner's history at the following web address:
