

Stark County, Ohio
Military Enrollment of 1865

Compiled by
Lauren K. Landis

Canton, OH
2003

Preface

What follows is an alphabetical list of the men who registered for military service from Stark County in the year 1865. A notation at the beginning of the original enrollment states that it includes “all white male citizens of Stark County, Ohio, being 18 years of age and under the age of 45 years without exception.”

The original enrollment is grouped by township and then alphabetically by the first letter of the surname only. To find a particular person, a researcher would have to look at each separate list for all 17 Stark County townships as well as the 4 wards of the city of Canton. This book combines all 21 lists into a single alphabetical list for easy searching. Each entry gives the names of the men, their age at the time of enrollment, their township or city ward of residence, as well as any applicable comments about them.

In the original work there was no explanation of the notations in the comments column, but the following meanings have been inferred by the compiler.

“**Exempt Certificate**” indicates a medical or other exemption from service.

“**National Guard**” indicates current or previous service in the National Guard.

“**Served (x) years**” indicates the number of years of service in the military to date.

“**In Service**” indicates that the person was currently serving in the military.

Any comments or additions the editor wished to make concerning an entry are enclosed in brackets []. The abbreviation [**sic.**] means that this is exactly how the entry appeared in the original. An asterisk [*] indicates that the spelling of the name was uncertain. In the case of it being the surname, all possible spellings have been included.

The residence abbreviations are as follows:

BETH = Bethlehem Twp.

CAN = Canton Twp.

CAN 1 = Ward 1 of Canton city

CAN 2 = Ward 2 of Canton city

CAN 3 = Ward 3 of Canton city

CAN 4 = Ward 4 of Canton city

JACK = Jackson Twp.

LAK = Lake Twp.

LAW = Lawrence Twp.

LEX = Lexington Twp.

MARL = Marlboro Twp.

NIM = Nimishillen Twp.

OSN = Osnaburg Twp.

PAR = Paris Twp.

PER = Perry Twp.

PIK = Pike Twp.

PLN = Plain Twp.

SAN = Sandy Twp.

SUCR = Sugar Creek Twp.

TUSC = Tuscarawas Twp.

WASH = Washington Twp.

#**CAN 1** = Second copying of Ward 1 of Canton City. This ward was copied a second time presumably due to errors in the first list. Therefore the same name can appear in both the first and second listings.

Readers will notice that many of the entries have “[blank]” in the age column. This is because no age was given on the original. Unfortunately, the lists for Marlboro, Nimishillen, and Pike Twps. gave no ages for anyone. Occasionally, ages were not given for some individuals from other townships as well.

Copies of entries from the original can be requested from the Stark County District Library at 715 Market Ave. North, Canton, OH 44702-1080. However, please be aware that this book contains the full information found on the original. Please include the name of the person and the township in which they were listed when requesting copies.
