## Index to Serving Our Flag Section of the Canton Repository (Jan-Apr 1943)

The following is an alphabetical listing, by SURNAME, of the names found in the Serving Our Flag section of the Canton Repository. Please note that this section of the Repository continued through the entire year of 1943, but the index only covers January through April. It is in the intention of the compiler to continue working on completing entire year.

To use the index, simply lookup the name of the individual you are searching for, which appears as follows:

ABOOD	Ernest	PVT	Army	Navy	February 24, 1943	8
-------	--------	-----	------	------	----------------------	---

The first column is the individual's SURNAME. The second column is the first and middle name of the individual. The third column gives the rank of the soldier. The fourth column lists the branch of service (if given) and the fifth column gives the section the name appears in. The sixth and seventh columns give the date and page of the newspaper.

Please note we encourage you to check all spellings of a SURNAME.
