Index to Obituaries in the *Canton Repository*, 2009
The following is an alphabetical listing, by surname,
of obituaries that were published in the Canton, Ohio,
newspaper, the *Repository*, from January 2009 to
December 2009. It was compiled in the hope that the book
would be a useful tool to genealogists, as well as other
researchers.

To use this index, simply look up the name of the
person whose notice you wish to find. The entries will
appear as follows:

Aanderud	Lena Josephine	Paganelli	2009	Jan.	6	B	4
----------	----------------	-----------	------	------	---	---	---

The first column is the individual's SURNAME. The
second gives the person's given name. The third column gives
the persons maiden name if one is given in the obituary. The
fourth column gives the title of the person if one is used. The
fifth, sixth and seventh columns tell the issue date of the
Repository. the eighth and ninth columns tell the section and
page number where the obituary is located.

You may find one name with several listings showing
different dates and locations in the paper. This indicates
multiple listings for that individual. We encourage you to
view each item for additional information.
