

Don't miss this chance to personalize your library!

Without a personal touch, a home isn't a home... It's just a house. The same is true for your library. Help us show the heart of the DeHoff Memorial Branch, through words that reflect its unique gifts to the people who use it.

We are asking you to submit a literary, or library-related quote that you think captures what the library is to your community. We will choose several to feature on the walls throughout the new building, which is slated to reopen in late fall.

We are happy to see the Re|Imagine project transforming DeHoff to better serve you. Check out [these pictures](#) to see how your branch is transforming.
