Thank You for Helping Our Kids

1,700 more books will land in the hands of Stark County's little ones, thanks to your generosity on Giving Tuesday. Stark County's Imagination Library sends free books in the mail each month to kids under the age of five. Your contributions make a life-changing difference, especially for families who can't afford to buy books. Simply having books in the home is known to improve early literacy and boost kindergarten readiness. [It's not too late to make a difference in the life of a child.](#)
