

We are so excited that this is finally happening! Your branch is going to be renovated! If you haven't seen the new floorplan - here it is!

The last day we're open is this Saturday, June 11, and the building will be closed for about four months for renovation. We'll keep you updated on the latest news via email.

Your library will have new computers and a business center, upgraded technology, a study room, and new carpet and paint. You'll have comfortable sitting areas, furniture with power to plug in your device, and so much more. [Click here](#) for details.

"There is no power for change greater than a community discovering what it cares about." - Margaret J. Wheatley

Your library is going to be something special for your community, but we want it to be *yours!* That's why we're asking you to submit a literary quote that you think captures what the library is to your community. We will choose several quotes to feature on the walls throughout the new building.

While we're closed, we'll do our best to provide you with alternate ways to access library materials and services.
