

Free! That word never sounded so good as we battle rising costs nearly everywhere we look, EXCEPT at Stark Library. Smart families in our community are saying good-bye to streaming platforms like Netflix (which raised prices again this year) in favor of using their library cards to stream all kinds of entertainment. During Library Card Sign-up Month, when you sign up for the first time or update your card (recommended at least every three years), you can win prizes too. You can begin your happy dance now 😊
