

Welcome back! We can't wait for you to set eyes on your Library!

## Check out your new Library at our Grand Opening Celebration!

**Saturday, March 4**

**10 am - Noon at the Lake Community Branch!**

565 Market Ave. SW  
Uniontown, OH 44685

### **Ribbon Cutting at 10 am**

You're invited to tour the building and experience for yourself why this is a place where all ages will want to spend a lot of time. Two enclosed study rooms with wall monitors and an updated meeting room provide privacy for groups to talk, work, and finally get that project off the ground. The updated décor and comfortable furniture make this your new happy place. Add in the new technology, like laptop lending and self check-outs, interactive tables in the children's area and a separate area for teens to hang out - and you may never want to leave.

We couldn't have done it without your support and input. Thank you!

Re|imagine is Stark Library's commitment to investing in our community by transforming each branch into an inviting space that inspires and empowers our community to pursue creativity and lifelong learning.
