

National Library Giving Day - April 4

Help us continue to change lives in our community! Your donation can: change the outcome for a second grader in an underserved community who is failing in school due to learning setbacks by providing summer learning tools; change a family's future by expanding the skills of an unemployed dad so he can find a job; create lifelong readers by sending our bookmobiles to schools (many of which don't have libraries) so students can borrow books; and so much more! Join the national movement to support community libraries by giving generously to your Stark Library on National Library Giving Day. With your support, we can continue to make life-changing impacts in our neighborhoods.

Listen at the Library

April 3-12 | All Library Locations

Join us for a magical, musical Storytime, as the Canton Symphony Orchestra plays music while Stark Library staff reads stories. It's an unforgettable experience for kids to hear a story come alive as musicians play to illustrate the action, mood, and characters. They'll also teach kids about instruments. Sign up now for the best location and time for your family! This important program is offered at all our locations.

Women of Tomorrow Booklist

Discover a list of books to entertain and inspire, with titles recommended by women leaders from our own community! Check out our booklist from the rock star women who joined us onstage to share their wisdom and advice at our "Women of Tomorrow" event last month. From titles on professional success to enjoyable works of fiction, and even an inspiring children's book, take advantage of this rich list and borrow your favorite choices now.

Free Seeds!

April 1 - June 30 | Main Library

Ready...Set...Grow! Browse our online catalog and order your favorite free seeds to pick up at the seed bank on the second floor of the Main Library. Availability will change throughout the season, so if you know what you want, monitor our website and order early! This is the 10th year we are providing free seeds courtesy of our partnership with Stark County Master Gardeners and the Ohio State University Extension.
