

At Stark Library, our mission is to strengthen our community through personal connections, exploration, and opportunities to advance literacy. We're committed to serving your needs. In an effort to uphold this commitment, we need your help!

Help us Imagine our New Main Library

September 27 | 5:00 pm | Main Library

Re|imagine is our commitment to investing in our community! We're thrilled to support our community's growing needs - and we want to hear from you! Let's contribute to the Stark Library story together! We invite you to our community session at the Main Library on Wednesday, September 27, hosted by our architectural design team, to share your vision for our new building.

Your Feedback Matters!

Your feedback on our services is important to us. We are determined to uphold our commitment to creating an inviting space for everyone! Please take a few minutes to complete our survey and tell us about your experience at the Library. Your responses help us create a better experience for you and the people in our community!
