Library Card Sign Up Month

Free! That word never sounded so good as we battle rising costs nearly everywhere we look, EXCEPT at Stark Library. Smart families in our community are saying goodbye to streaming platforms like Netflix (which raised prices again this year) in favor of using their library cards to stream all kinds of entertainment. During Library Card Sign-up Month, when you sign up for the first time or update your card, you might win a Kindle HD! Visit our blog to learn more:

Hispanic Heritage Month

September 15 - October 15

During Hispanic Heritage Month each year, the country is immersed in the richness of Hispanic culture. We honor the seeds Hispanic communities planted when their families made their way to America.

We've advanced as a nation in many ways thanks to generations of extraordinary Hispanic art, literacy, music, bright leaders, and more. To commemorate the countless contributions, the Library has many programs and resources available for people of all ages.

We invite you to take part in this celebration by exploring works by Hispanic American authors. The Library has a monthly display tailored to your interest and learning experience. Discover libros en Español for all ages, hand-picked by our librarians.
