

A world where every child has books!

A Lifetime of Opportunity

It's that wonderful time of the year when we do more than give gifts. After all, every gift - whether it's big or small - can make a big difference in someone's life. During this season of giving and sharing, providing opportunities to those in need is one of the best gifts you can give! Won't you help set up a child for success?

During this Giving Tuesday, we hope that you'll support the Stark Library Foundation by putting books into the hands and hearts of the children, right here in Stark County - where so many children are below the poverty level.

When you support Stark County's Imagination Library, you're instilling a love of learning for a lifetime. Each month, an age-appropriate book arrives in the mail at no charge to children from ages 0 to 5. You can give a child the opportunity to dream more and learn more. For just \$25, you can fund one child for an entire year of books!

Let's keep Stark County's Imagination Library growing for the children in our community! It only takes a small act of generosity to make a big difference.
