Native American Heritage Month

November is nationally recognized as National Native American Heritage Month. During this month-long celebration, the nation highlights the cultural traditions and accomplishments of Native Americans. All across the nation their legacy remains so ever-present. This is seen through art, literature, music, and much more.

To highlight these countless contributions, the Library has events for all ages. Stop in to explore our displays and participate in programs of stories, art, and history. Immerse yourself in art with hands-on crafts, including corn husk dolls, and paper tube totem poles.

Learn More

In honor of this month-long celebration, our librarians have created a reading list just for you. You’re welcome to browse and borrow any of these books, featuring Native American authors! Part of celebrating Native American Heritage Month involves sharing their longstanding history and story.

Find Books

Listen to the stories that nature tells in this month’s Trail Tales, “Sweetest Kulu” by Celina Kalluk, at Sippo Lake Park. As you read this story, look at your surroundings - what do you see? What do you hear? What story do your surroundings tell? Each page display has engaging and fun activities that your family will undoubtedly enjoy! We don’t want you to miss this chance to enrich yourself during this special month.
