

Black History is American History

In February, we celebrate Black History Month, recognizing the many extraordinary stories of African Americans in the fields of science, business, art, and so much more! Throughout the month-long celebration, we will highlight their history and heritage, both past and present, through art, storytelling, events, and book lists hand-picked by your favorite librarians.

Help Us Imagine Main Library

Feb 6 | 2 pm | Main Library

As we continue our planning for the Main Library campus, we would like your input! The campus will include two buildings and a beautiful green space. Downtown Canton is a vital part of our community, and we are excited to include you in the design process.

Please join us! RSVP to [Krystal Nash](#) by February 2.

Recommended by Your Librarian

To mark this month-long commemoration, our librarians have created a list of titles on Dr. Martin Luther King, Jr. and African American history just for you. We encourage you to borrow any of these items to fully immerse yourself in Black history!
