

As we continue the project to [Re|imagine our library buildings](#) for the 21st century, YOUR branch is next! Re|imagine is our plan to make the Library an inviting space that inspires and empowers you to pursue creativity and lifelong learning.

The Plain Community Branch was built as part of the GlenOak High School campus in 2006. Your branch will be upgraded with features to make your library a place you want to spend your day. You'll have new technology, including laptop lending, comfortable furniture, study rooms, a designated space for teens, and so much more. [Click here](#) for details.

#### What to Expect While We're Closed

The last day the Library will be open is Saturday, March 16th. We'll be closed beginning Monday, March 18th for about five months. We'll communicate with you regularly via email during the closure and will let you know when we'll re-open.

While we're closed, we'll do our best to provide you with alternate ways to access library materials and services. The bookmobile will be on site at the parking lot adjacent to the branch at scheduled times. You will be able to browse, pick up your holds, and access other library services from the bookmobile.

#### Bookmobile Schedule Beginning March 18th

Tuesdays | 1:30 - 3:30 pm

Wednesdays | 9 - 11 am

Saturdays | 9 - 11 am

#### Book Returns

Return your library materials anytime at the book drop at the Plain Community Branch or visit any of our [other locations](#).

#### Pick Up Holds

You can place items on hold as you normally would: Reserve online, use our mobile app, or call 330.452.0665. Choose Plain Community Branch as your pickup location. You'll receive notification when your holds are ready, and you can visit the bookmobile during the hours listed to pick up your holds.

GlenOak High School students and staff can request items to pick up at the GlenOak Media Center through the end of the school year.

#### Digital Services

Remember, you can access eBooks, eAudiobooks, and eMagazines, stream movies, music, and TV shows 24/7 using our digital services.

[Learn More](#)

Of course, if you just want to be in a library, you can visit any of our branches.
