Global Warming, Climate Change, and the Birds We Love

JUL 28 | 3:00pm – 4:00pm

What does climate change have to do with our favorite birds? They're more closely related than you might think. Join field biologist Judy Semroc to learn about this relationship and how we can help! **A**

Fossils in Ohio:

Presented by Kent State University

AUG 3 | 4:00pm – 5:00pm

There's history all around us – even in Ohio! Kent State University's Dr. Carrie Schweitzer will teach us about some of the fossils and living history in our very own state. **A**

The image features a promotional graphic for the America 250 Ohio Stark County event. It includes a circular logo with 'AMERICA 250 OHIO' and '1776 2026' on a banner. Below the logo is the text 'Stark County'. A QR code is positioned in the bottom left corner. The background is a dark red with bokeh light effects and a partial view of an American flag on the right side.
